15.Dr.N.SHANMUGAPRIYA	- Head, MCA PROGRAMME

9. EXECUTIVE COMPONENT

The following are some of the institutionalized practices, as a result of quality initiatives during the last five years.

- A completely restructured and revised curriculum with more inter-disciplinary, multi-disciplinary, innovative and job oriented and professional courses was implemented from 2016-17.
- Soft Skills, Technical Skills and Professional Skills are designed and implemented.
- Mini-Project is introduced for MCA and MBA programmes.
- Online examination is introduced as one of the components of continuous internal assessment.
- Article Review and in-plant Training are added in the curriculum.
- Value Added Courses are introduced in the final year for all the under-graduate Programmes.
- A good number of Seminars, Conferences and Workshops and Faculty Development Programmes were organized and faculty members were encouraged to participate in the above kind of programmes.
- Question Bank for internal test and model examinations was introduced.
- Teachers Forum functioning from February 2016 is paving a way for every Teacher to demonstrate the pedagogy and conceptual understanding of the subject.
- Learner-centric teaching pedagogies such as collaborative learning, contributive learning, Participatory learning, experiential learning, like, projects-based learning, field work, field projects were introduced.

- Research Colloquium creates a culture of research and strengthens research activities in the campus.
- More number of MoUs was signed with reputed Educational Institutions and Industries.
- Alumni Association is formalized and made more effective.
- Software Development Centre helps to develop software solutions to institutional issues and offers outside consultancy service to the needy.
- Business Strategic Development Centre and Software Development Centre develop innovative ideas for students to begin start-ups by them.
- Open source learning and online certification programme are adopted by the Departments.
- The industry-institute-interaction cell strengthens the activities with more number of collaboration, industrial links and consultancy services.
- Course file system was implemented from the Academic year 2016-2017.
- Summer Internship and field project for students is made mandatory.
- Credits earned from NPTEL and other approved online courses are transferred as extra-credits.
- Extension programmes are being diversified continuously

10. STUDENT FEEDBACK ON INSTITUTIONAL GOVERNANCE/FACULTY PERFORMANCE

Collected at the end of each Semester and the Reports are available at Our College Website.

11. GRIEVANCE REDRESSAL MECHANISM FOR FACULTY, STAFF AND STUDENTS

The College follows an open system of administration and grievances from staff and students are given the utmost attention. Complaints and suggestion boxes are kept at a number of places in the campus and also in the hostels. The suggestions and complaints are carefully looked into and remedial measures undertaken. Responses are also publicized through notice boards. In case of indiscipline, a committee appointed by the Director enquires into the matter by calling witnesses and recommendations are made about the action to be taken by the management. Grievances regarding the faculty members and Staff in terms of salary, promotions etc., are carefully looked into by the HR department in consultation with the Secretary and remedial measures taken. Class Committee meetings are held in which grievances of students are taken note of and remedial measures taken. A student welfare officer looks into the welfare of the students and advises the management for necessary action.
